perfo | Features & Benefits

Perfo & Hooks

Perfo panels are used with steel accessories and are ideally suited for easy access tool storage. Accessories are available to suit almost all hand tools, pre selected kits allow easy ordering.

Louvre & Bins

Louvre panels work with hook on plastic bins and are perfect for high capacity component storage. Bins are available in many sizes and colours in various pack quantities, all are supplied with label strips.

Panel System

Steel panels are the heart of the system and are available in wall mount, freestanding, bench mount and mobile trolley variations in perfo, louvre and combi styles.

Reinforced Panels

Perfo, combi and all horizontal louvre panels feature return flanges and reinforcing strips to provide high strength and great rigidity.

Range Intergration

The perfo system is designed to integrate with the cupboard and bench products in both cubio and verso ranges.

Wall Cupboards

Wall cupboards free up floor space and provide a lockable, easy access storage option.

Mobile Storage

Mobile panel storage allows tools and components to be easily distributed around the workplace.

perfo | Accessories

Perfo Accessories

- Durable zinc plated or epoxy powdercoat finish
- Safety end cap on all hooks
- Quick fix perfolock, reposition at will
- Huge range of styles

Perfo Accessory Fixing

Accessories are held in place with the perfolock. Simply turn the perfolock through 45 degrees. Accessories can be quickly repositioned as needs change. For added safety all hooks are supplied with a protective endcap.
